Welcome to the team! We are delighted to have you join us.

We have prepared this guide for you to know the most important information you need to start your first day with passion.

OUR --- STORY

Forsan Foods & Consumer Products Company Ltd was founded in 1979, In Riyadh KSA as a source of premium meat. Due to popularity and high demand Forsan soon became a leader in that segment.

1981 Forsan became a distributor of premium meat alongside the gourmet meat store due to its popularity with households, shops and restaurateurs.

In 1993 Forsan added Premium Bakery, Pastry ingredients, Consumer items and confectionary items to its portfolio.

Since then Forsan has become a major premium food manufacturer, retailer and distributor, with a strong presence in all cities of Saudi Arabia and the Middle East region offering a wide range of food-related products and services.

Forsan is a multi-brand company that includes several reputable brands serving different product categories
